Dear Friends of Caldwell University,

Each year, this report gives me a wonderful opportunity to share some of our successes and publicly thank our alumni, donors and friends who help to make our continued success a reality.

First and foremost, I am delighted to share that we welcomed another large freshman class to campus this year, which included 78 international students — the largest international class in the history of the university! Also among the new students are 41 freshmen who chose to make Caldwell their home for the next four years so that they could play on Caldwell University’s new sprint football team. The new sprint football program not only increases our male enrollment, but builds school spirit with the addition of cheerleading, marching band and color guard.

These enrollment figures are significant given the national trends reflected at many other colleges and universities which have been on the decline in recent years. In contrast, Caldwell University has experienced almost a 40% increase in traditional students over the last several years in large part because we have remained student-centered and keenly focused on our mission to provide an excellent education to a diverse community of students.

There is no doubt that our alumni, donors and friends have been very generous in supporting Caldwell University. Philanthropic support is critical as we have an ambitious array of campus priorities aimed at strengthening our academic programs, increasing scholarships for students, building the University’s endowment, and improving the campus experience for all of our students, all while prominently affirming our Catholic, Dominican heritage.

As Caldwell University continues to compete in the ever-challenging landscape of higher education, privately funded scholarships from our alumni, donors and friends play an essential part in recruiting and retaining our students. In fact, 90% of students at Caldwell depend on scholarships and financial aid in order to complete their degrees.

Some of the other specific funding priorities are to modernize spaces in Mother Joseph Residence Hall, expand our physical resources for student athletes, expand our highly regarded art therapy program, and convert our former bookstore, centrally located on the campus plaza, into a beautiful chapel. In fact, one of the largest gifts we received this year was from Elaine Tweedus ’66 in the amount of $500,000 to help support the chapel project.

All of these projects that we have begun to undertake will strengthen the institution for generations to come. I am thankful to you, our alumni, donors, and friends, who put their confidence in the leadership of this fine institution and give their support to our students. Through your generosity, you are part of Caldwell’s success story. Together, we will continue to educate young students as they become the future leaders of tomorrow.

Once again, thank you for your generous and ongoing support. I wish you a happy New Year and hope that 2018 brings you the blessings of good health, joy and peace.

Sincerely,

Nancy H. Blattner, Ph.D., OPA
President
Caldwell University is a vibrant institution that provides its students with an excellent liberal arts and professional studies education. Located in suburban New Jersey, about 20 miles from New York City, Caldwell provides a student/faculty ratio of just 12:1 and offers educational opportunities both inside and outside the classroom. The university was founded in 1939 by the Sisters of Saint Dominic and is accredited by the Middle States Association of Colleges and Schools.

**CORE VALUES**

The core values of Caldwell University emanate from the Catholic Intellectual Tradition, the life of Saint Dominic de Guzman, the Charism of the Sisters of St. Dominic of Caldwell, and the Four Pillars of Dominican Life.

In response to St. Dominic’s desire to pursue truth through education, Caldwell University commits itself to the following core values:

**RESPECT**

Respecting the sacred dignity of all creation, we call ourselves to have responsible relationships with each other and with the earth. We value diversity and believe it enriches the University community.

**INTEGRITY**

We commit ourselves to honesty and professional excellence in all interactions and relationships.

**COMMUNITY**

Valuing relationships, collaboration, and inclusivity, we extend this spirit through intentional connections within the campus community and beyond.

**EXCELLENCE**

Aware that each person has a role in creating a just and compassionate global community, we seek to develop a love for lifelong learning and a commitment to the search for knowledge, truth, and solutions to problems.
Caldwell University will be recognized as a leader in providing transformative education addressing contemporary social, economic, and cultural challenges.

Guided by our core values, Caldwell University programs will be acknowledged for their combination of liberal arts and professionally-oriented learning.

Caldwell University will inspire its students to seek truth, embrace justice, and pursue intellectual study as they engage in experiences within a community of diverse learners. We will prepare women and men to lead successful personal and professional lives consistent with Catholic values through a liberal arts core. A broad range of programs will prepare students to be successful in the global work environment and to apply ethical standards in every aspect of their lives. Our graduates will respect the sacredness of creation and be committed to service, and intellectual life.

Our vision, shaped by our core values of Respect, Integrity, Community, and Excellence, is fostered within the framework of the 800-year tradition of the Dominican Order. This vision inspires us to be compassionate and empathetic as we develop full intellectual, spiritual, and aesthetic lives.

MISSION STATEMENT
Founded in 1939 by the Sisters of Saint Dominic, Caldwell University promotes intellectual, spiritual, and aesthetic growth to a diverse population and welcomes all cultures and faith traditions. Inspired by St. Dominic de Guzman and our Catholic heritage, we make a difference in the lives of our students and prepare them through the liberal arts and professional studies to think critically, pursue truth, and contribute to a just society.

STUDENT EXPERIENCE
Gifts to help underwrite capital and facilities renovations, our athletics facilities, and campus improvements, such as the new chapel and the art therapy and studio art programs, are an investment in enhancing the student experience at Caldwell for generations to come.

ENDOWED SCHOLARSHIPS
Donors who wish to leave a lasting legacy in the form of supporting student scholarships at Caldwell University are encouraged to consider establishing an endowed scholarship. Endowed Scholarships can be named in memory or honor of a loved one with a minimum gift of $25,000 which may be given in installments over a period of multiple years. The initial donation used to establish an endowed scholarship remains in perpetuity while a portion of the interest earned is awarded annually in the form of student scholarships.

ANNUAL SCHOLARSHIPS
Donors who wish to have an immediate impact and lessen the financial burden on our students may establish a named scholarship by making an annual gift of $2,500 or more. Annual scholarships are awarded to students during a donor’s lifetime.

UNRESTRICTED ANNUAL FUND
Gifts to the Annual Fund provide critical and flexible resources for Caldwell University to fulfill its mission and meet the immediate needs of our campus and the community we serve.

For more information on our strategic funding priorities, please contact Lori Funicello, Assistant Vice President for Development and Alumni Affairs, at 973-618-3226 or lfunicello@caldwell.edu to learn more about how your gift can make a difference in the lives of our students.

YOUR SUPPORT HAS A DIRECT IMPACT

Gifts to the Caldwell University Annual Fund provide a consistent stream of support for the most pressing needs of the University. Here are a few examples of how your gifts are having a direct impact on Caldwell students:

SCHOLARSHIPS

Ninety percent of students at Caldwell depend on scholarships and financial aid in order to complete their degrees and so donor support is critical to their success. This year, scholarships were particularly critical in recruiting the 42 new freshmen who choose to attend Caldwell University to be part of our SPRINT FOOTBALL team. The new program not only increases our male enrollment, but builds school spirit by adding CHEERLEADING, MARCHING BAND and COLOR GUARD while providing an exciting experience for fans. Gifts to the annual fund provide meaningful scholarship support to attract each of these student groups and provide the necessary resources to support them while they are here on campus.

NEW PROGRAMS

Gifts to the Annual Fund provides much needed unrestricted support in order for Caldwell to maintain competitive and provide students with the skills they need to succeed in today’s ever-changing job market. Three new programs were recently established as outlined below:

B.S. IN SPORT MANAGEMENT offers students a total package of sport business-related and career opportunities and a variety of career paths available within the amateur, collegiate and professional sport industries.

RENOVATED SPACES

The new ART THERAPY CENTER is just one example of a renovated space on campus that would not be possible without donor support. The Center offers a bright environment conducive to learning, which includes two new classrooms equipped with state-of-the art technology and office space.

For more information about how your gift impacts our students, visit www.caldwell.edu/giving or contact Stan Kula, Director of Leadership Annual Giving, at skula@caldwell.edu or 973-618-3447.
