

The academic internship program at Caldwell University helps students gain workplace experience and develop professional skills under the guidance of a faculty advisor. Students work with the Career Planning and Development Office to identify and apply for internships related to their area of study and career goals.

Students must meet certain criteria to pursue internships for academic credit. Those who have a minimum of 60 credits and a 2.5 GPA are eligible to participate. In certain cases, students who have completed 45 credits and maintain at least a 3.0 GPA may pursue for-credit internships. For additional information go to [www.caldwell.edu/career](http://www.caldwell.edu/career).
