Dear Friends of Caldwell University,

Happy New Year! I am delighted to acknowledge and recognize all of our alumni, donors and friends who help to make our continued success a reality. It is only through the ongoing and generous support of our donors that we are able strengthen our academic programs, increase scholarships for students, build the University’s endowment, and improve the campus experience for all of our students, all while prominently affirming our Catholic, Dominican heritage.

In fall 2018, we welcomed our largest freshman class in history with nearly 500 incoming students. We are excited that we are continuing to see an increase in traditional students, especially at a time when other colleges and universities are experiencing a decline in enrollment. Currently, 98 percent of traditional undergraduate students rely on some form of financial assistance to help offset the cost of tuition. In 2018, the university awarded over $24 million in institutional scholarship support. Gifts to both annual and endowed scholarships help us remain competitive in our scholarship offerings, which is essential in the ongoing recruitment and retention of our students. Additionally, the number of scholarships we were able to provide, coupled with the fact that Caldwell’s tuition is still one of the lowest as compared to other private universities and colleges in the state of New Jersey, allowed us to report the fourth lowest average debt-per-student among four-year higher education institutions in the state.

This past year, U.S. News and World Report ranked Caldwell University as the 25th Best Value School for Regional Universities in the North. We also moved up 28 spots in the category of Best Regional Universities in the North. Last year Caldwell was 102; this year we are 74. These statistics are more than just about breaking records. These numbers indicate that news about Caldwell’s student-centered focus and our mission to provide education to diverse populations of deserving but underserved students in the state of New Jersey, and beyond, is being heard.

Several construction projects have been completed in 2018 or are currently underway. Made possible by Gourmet Dining, the university’s food service provider, the new Café 39 in Werner Hall is a wonderful place for students, faculty and staff to gather and enjoy a hot coffee or a snack in between classes. Construction is now underway in the Newman Center for the Sister Mary Dominic Tweedus Chapel. Relocating the chapel to an inviting and highly visible space affirms our commitment to our Catholic, Dominican roots and offers a peaceful refuge from the rush of everyday campus life. And plans are being drafted to convert the old chapel space in Mother Joseph’s into a state-of-the-art student lounge. All of these projects are being undertaken to enhance the experience students have at Caldwell.

Once again, thank you for your generous and ongoing support. I wish you a happy new year and hope that 2019 brings you the blessings of good health, joy and peace.

Sincerely,

Nancy H. Blattner, Ph.D., OPA
President
ABOUT CALDWELL UNIVERSITY

Caldwell University is a vibrant institution that provides its students with an excellent liberal arts and professional studies education. Located in suburban New Jersey, about 20 miles from New York City, Caldwell provides a student/faculty ratio of just 12:1 and offers educational opportunities both inside and outside the classroom. The university was founded in 1939 by the Sisters of Saint Dominic and is accredited by the Middle States Association of Colleges and Schools.

CORE VALUES

The core values of Caldwell University emanate from the Catholic Intellectual Tradition, the life of Saint Dominic de Guzman, the Charism of the Sisters of St. Dominic of Caldwell, and the Four Pillars of Dominican Life.

In response to St. Dominic’s desire to pursue truth through education, Caldwell University commits itself to the following core values:

RESPECT
Respecting the sacred dignity of all creation, we call ourselves to have responsible relationships with each other and with the earth. We value diversity and believe it enriches the University community.

INTEGRITY
We commit ourselves to honesty and professional excellence in all interactions and relationships.

COMMUNITY
Valuing relationships, collaboration, and inclusivity, we extend this spirit through intentional connections within the campus community and beyond.

EXCELLENCE
Aware that each person has a role in creating a just and compassionate global community, we seek to develop a love for lifelong learning and a commitment to the search for knowledge, truth, and solutions to problems.
Caldwell University will be recognized as a leader in providing transformative education addressing contemporary social, economic, and cultural challenges.

Guided by our core values, Caldwell University programs will be acknowledged for their combination of liberal arts and professionally-oriented learning.

Caldwell University will inspire its students to seek truth, embrace justice, and pursue intellectual study as they engage in experiences within a community of diverse learners. We will prepare women and men to lead successful personal and professional lives consistent with Catholic values through a liberal arts core. A broad range of programs will prepare students to be successful in the global work environment and to apply ethical standards in every aspect of their lives. Our graduates will respect the sacredness of creation and be committed to service, and intellectual life.

Our vision, shaped by our core values of Respect, Integrity, Community, and Excellence, is fostered within the framework of the 800-year tradition of the Dominican Order. This vision inspires us to be compassionate and empathetic as we develop full intellectual, spiritual, and aesthetic lives.

Mission Statement

Founded in 1939 by the Sisters of Saint Dominic, Caldwell University promotes intellectual, spiritual, and aesthetic growth to a diverse population and welcomes all cultures and faith traditions. Inspired by St. Dominic de Guzman and our Catholic heritage, we make a difference in the lives of our students and prepare them through the liberal arts and professional studies to think critically, pursue truth, and contribute to a just society.

The Saint Catherine of Siena Circle gratefully recognizes Caldwell University alumni and friends who respect and support the mission and traditions of the founding Dominican sisters. These special benefactors will maintain the legacy of Caldwell University, having chosen to include the university in a personal way in estate plans, through life income gifts or as beneficiaries of an insurance policy. Their commitment and generosity will help to strengthen and ensure the future of Caldwell University. Lori Funicello, Assistant Vice President for Development and Alumni Affairs, can help guide you through the process. For more information, please contact Lori at 973-618-3226 or lfunicello@caldwell.edu.
